ADDITIONAL INFORMATION

- REPEATS and DUPLICATES**
A 10% reduction applies on the block price if ordered with original blocks.
- SOLID TINTS** (no flange)
50% of line rate.
- PIERCING and CUT OUTS**
Charged according to time taken.
- RUSH RATE**
May be charged in certain circumstances.
- GROUPING and SEPARATIONS**
Blocks and dies may be charged as one plus separations instead of multiple blocks, but only if the following conditions apply:
- All the artwork is of similar quality and type, ie. good black and white artwork suitable to be photographed together and not requiring any special treatment.
 - All the artwork is of the correct size, or to be enlarged or reduced in proportion with each other.
 - The final blocks and dies are **ALL** of the same gauge and type of material and all require the same treatment in manufacture. In the case of 16 gauge, they must either **all** be mounted or **all** unmounted.
 - Subjects to be separated must be arranged so as to leave at least 10 mm between each subject when photographed to the size required.
 - Maximum size of the grouped block is 40 cm x 30 cm.
 - ALL** the blocks and dies must be placed on the same order and be received by us at the same time.
 - Maximum of ten blocks to be grouped together.
- SUPPLYING FILES**
Computer files may be supplied to be output directly to our imagesetter for blocks and dies as .eps, .pdf or .cdr for a PC, with any fonts converted to curves or paths.
- SUPPLYING FILM**
Film may be supplied preferably as negatives right reading emulsion up or positives right reading emulsion down for normal wrong reading plates.
